Tradition of Excellence: GateWay Celebrates 50 Years

2019 Sponsorship Opportunities
THE GATEWAY IMPACT

For many, GateWay Community College is the first step in life-changing personal transformation through education. We provide an affordable, encouraging environment for non-traditional and under-represented populations of students, and a pathway to rewarding employment or continuing education at a four-year institution.

YOUR FINANCIAL SUPPORT DIRECTLY IMPACTS STUDENT SUCCESS. HERE ARE A FEW WAYS YOUR DOLLARS HELP.

MINIMIZING BARRIERS TO ACHIEVEMENT

Working parents are among the highest populations of college drop outs. GateWay proudly provides support services like affordable, on-site child care through the Children’s Learning Center to alleviate barriers for these students. In addition, GateWay offers a food and clothing pantry, Disability Services, Veteran’s Center and Career Center, among other services. Minimizing barriers maximizes student achievement and success.

ONE-ON-ONE SUPPORT

Counselors, career advisors, and enrollment navigators are in place to welcome and guide students through their journey. Students learn to create a circle of support, set goals, and establish positive academic and life behaviors.

CUTTING EDGE PROGRAMS

GateWay’s trade and technical programs get students into the workforce quickly, and into some of the highest paying jobs available without a 4-year degree. Some of our programs - like our meat-cutting certificate and clean water technologies degree - are the only one of their kind in the state. And our students pay it forward; the Healthcare United at GateWay (HUG) Clinic offers pro-bono healthcare services directly to those who need it most and gives healthcare students hands-on experience, under the supervision of licensed, professional faculty.

“GateWay’s friendly environment always offered me a sense of hope and belonging. When I felt like giving up, I realized people were counting on me. GateWay was my true home.”

– Crystalynn Ramos, Nursing Alum
